

May 20, 2020

We are inviting all our golfers who enjoy men's league to join us this coming Tuesday, May 26. Bill will be taking registrations on the patio and we will practice our social distancing. SGS at 6pm as usual. Be mindful the club house will not be open? Make plans now to attend our first men's league.

With that being said, be reminded that our golf memberships are due. If you have a shed, you are required to be full golf member. Let Barry C. or myself know. You may also send to PO Box 421. Thank you.

A shout out to our ladies and couple's leagues. Their monies went for the new roof on the on course bathroom, they have painted the gazebo the other evening and are planning on a new roof for it. A BIG thanks to all our girls for their hard work. Perhaps there might have been a few guys helping on the bathroom roof. Thanks to ALL of you.

Don't forget men's league!!! See you on the Course....
